

Dear All:

Indian Institute of Chemical Engineers - Hyderabad Regional Centre (IICChE – HRC) cordially invites you to the 11th M.P. Chary Memorial Lecture scheduled on **30th May 2018 (Wednesday) at 18.30 hrs.** Venue shall be **Hotel Blue Orchid, Near Habsiguda Cross Roads, Habsiguda, Hyderabad – 500 007.** Lecture shall be delivered by **Mr. Ajit Rangnekar, Director General, Research and Innovation Circle of Hyderabad (RICH), a Telangana Government Initiative** to take Innovations to Market. **Lecture topic is “Changing Role of Chemical Engineers”.** Program shall be followed by dinner.

You are requested to make it convenient to attend the programme. Kindly confirm the receipt of this e-mail and your plans to attend the programme.

About the speaker:

Mr. Ajit Rangnekar is currently the Director General, RICH. He retired as the Dean of Indian School of Business (ISB), where he espoused Entrepreneurship and Innovation in socially important sectors like Food , Health and Education. He has been a member of many committees and sits on the Board of several companies and foundations.

Prior to ISB, he was in Hong Kong for over twenty years primarily with Price Waterhouse and pwc, handling various roles such as Country Head, and East Asia Head of telecom practice.

He is a Chemical Engineering graduate of IIT Bombay - Mumbai and did his post graduation in Management from IIM Ahmedabad. He is passionate about socially responsible and impactful activities.

With best regards,

Dr. Sanjay Bhardwaj
IICChE - HRC

Hon. Regional Secretary,
