

D. P. MISRA
Director, TCE

ABOUT THE SPEAKER

Mr Misra obtained his Bachelor of Chemical Engineering from Jadavpur University in 1965 and post graduation from Indian Institute of Petroleum in 1967. He is currently the Director of TCE and Advisor to President of Indian Chemical Council. He was Director General of Indian Chemical Council.

In his long stint of 40 years, Mr Misra has over 35 years of experience in engineering consultancy. Jacobs H & G was able to diversify to new areas under the leadership of Mr Misra, including executing many challenging projects. Mr Misra was also associated with first time technologies to India, when working with Krebs & Cie.

Mr Misra was the President of Indian Institute of Chemical Engineers (2004). Besides he is presently Fellow of National Academy of Engineers, Fellow of Institute of Chemical Engineers UK, Fellow of Institution of Engineers and Fellow of Indian Institute of Chemical Engineers.

Mr Misra has been honoured by several awards in his career. There are also several publications to the credit of Mr Misra. He has travelled extensively to USA, Europe, Middle East, Israel, Lagos, South East Asia, Korea, China and Japan.

7.00 PM	Welcome address	:	Sri M. G. V. Chalapathi Rao Chairman, HRC
7.10 PM	Address by Guest of Honour	:	Prof. V. K. Srivastava President, IICHe
7.20 PM	About Late M. P. Chary Endowment Lecture	:	Sri A. Bhasker Reddy Vice President, IICHe
7.35 PM	Late M. P. Chary Memorial Lecture	:	Sri D. P. Misra, Director TATA Consulting Engineers Ltd.
8.20 PM	Remarks of Sri Anantha Chary		
8.30 PM	Presentation of Mementoes	:	Sri Anantha Chary, CMD Elbit Medical Diagnostics Ltd.
8.40 PM	Vote of thanks	:	Dr. Ch. Sailu Hon. Secretary, HRC

Dinner

IICT, New Canteen

INDIAN INSTITUTE OF CHEMICAL ENGINEERS HYDERABAD REGIONAL CENTRE

Cordially invite you to the

3rd Endowment M. P. Chary Memorial Lecture

(Instituted by Sri. Anantha Chary, CMD, Elbit Medical Diagnostics Ltd. in memory of his father)

by

Sri D.P. Misra

Director, TATA Consulting Engineers Limited

on

The Role of Consultant from Concept to Commissioning of Chemical Industry

Prof. V.K. SRIVASTAVA

President IICChE

will be the Guest of Honour

on

Saturday, 12th June 2010 at 7.00 PM

Venue

New Lecture Hall (11 floor), Main Building
Indian Institute of Chemical Technology
Taranaka, Hyderabad-500 607

PROFILE OF LATE M. P. CHARY

Sri M.P.Chary was a multifaceted personality. He can be described as a pioneer, innovator, bold, humble, visionary and industrialist. But the most enduring of all, was his humility and ethical values. His numerous talents and genius was firmly grounded in abundant "common sense". His ability to find uncanny and simple solutions to complex issues and problems, was his greatest strength.

Coming from a small town rural background, Mr. Chary, embarked into the exciting world of pharmaceuticals after completing his B.Sc., starting with IDPL in Hyderabad. His pioneering and entrepreneur spirit motivated him to venture into manufacturing low cost detergents, but could not sustain, the lack of sales and marketing expertise. The set back taught him invaluable lessons in entrepreneurship. His resolve to make it big on his own, was reinforced.

He went back to the pharmaceutical industry as part of the, extraordinary team of technopreneurs, which included Dr. K.Anji Reddy in Uniloids. India's first, private sector, bulk drugs manufacturing enterprise. The foundations of the bulk drug capital, which now, Hyderabad is, rests on the foundations laid for Uniloids. The rest as the saying goes, is history. Mr. Chary's outstanding contribution during his stint in Uniloids and later in Standard Organics, in setting up the largest sulphamethoxazole manufacturing facility in the world has no parallel. Mr. Chary's technical genius and general management capabilities where tested and flourished, during this phase.

A new beginning was made in 1984, when along with Dr.K.Anji Reddy and Mr.Chary, as the founding Managing Director, established Dr. Reddy's Laboratories Limited in Hyderabad. This extraordinary combination of a visionary and enterprise builder, between Dr. Reddy and Mr. Chary as the CEO, went on to create the most admired pharmaceutical company in India. DRL became synonymous with, pioneering spirit, innovation and outstanding execution. Today, the world acknowledges DRL's contribution to the Indian pharmaceutical industry, while the company is emerging to make its presence felt on the global arena. During this phase (1984 to 1996) Mr. Chary emerged as a true business leader and an industrialist.

Mr. M.P.Chary parted from DRL in 1996 while he was the Vice-Chairman of the company, to set up his own enterprise. The beginning of Chary's Group. He took on the challenge of building new enterprise, while keeping away from pharmaceuticals. As an entrepreneur industrialist, he established "Chary's Group" consisting of Elbit Medical Diagnostics Limited, Magene Life Sciences Private Limited, Globarena Technologies Private Limited.

As Founder and Chairman of the listed companies, Late M. P. Chary excelled as an entrepreneur and visionary. He was totally involved in guiding, directing and building new companies, till his sudden demise in September 2005. He has left behind a great legacy and inspiration. As a business leader Mr. Chary has not only set up pioneering knowledge driven industries but has left behind a team of outstanding professionals who are capable and committed to realize his dreams.

HYDERABAD REGIONAL CENTRE INDIAN INSTITUTE OF CHEMICAL ENGINEERS

The Indian Institute of Chemical Engineers with its head office at Calcutta and its regional centers spread through out the country holds national and international seminars, workshops and meetings so that its members can learn, understand and interact among themselves.

Some of the goals of the Institute are, to promote the advancement of chemical engineering science and to maintain professional standards among its members. Further, it serves as authoritative body on matters concerning the teaching and profession of chemical engineering and also publishes journals. The institute conducts examinations grants, awards donations, scholarships and certificates to such persons as may be deemed fit.

The Hyderabad regional Centre (HRC) with its office at Lingapur-la-builde complex, Amrutha Estates, Himayatnagar has involved in many activities such as organizing seminars and lectures, conducting industrial tours etc. it has successfully conducted the 23rd and 39th Annual Indian Chemical Engineering congress in the years 1970 and 1986 respectively.

The HRC has conducted CHEMCON-2002, 55th Annual Indian Chemical Engineering congress during 19-22 December, 2002 under the stewardship of Dr. K. Anji Reddy (NOC Chairman). Dr.K.V.Raghavan (LOC Chairman) and Prof. S.Venkateshwar (Organizing Secretary). This event was a trend setter in many ways and was a grand success, once again depicting the organizing capabilities of the Hyderabad Regional Centre.

HRC had organized many national seminars which include Cement, pulp & Paper, Fertilizers, Drugs & pharmaceuticals, safety in chemical industries, Alcohol sources and industries, problems & prospects of pollution control in chemical industries in A.P.- Retrospect's and prospects of Specialty Chemicals, and in September 2005 on "Nuclear Materials and Seamless Pipe Products" and in September 2007, organized National seminar on 'Profile of Zirconium Industry in India' which is part of the Diamond Jubilee celebrations of IChE. HRC has also conducted a National Seminar on "Green Process Technologies", on 10th April 2010 as part of the on going Golden Jubilee celebrations of HRC.

HRC has been conducting Late M. P. Chary Endowment Memorial Lectures for the past two years. Inaugural lecture was delivered by Dr A.V. Rama Rao, Former Director IICT on "Indian Drug Industry 1960 to till date", in the year 2008. The second technical lecture was delivered by Dr K.V.Raghavan, former Director of IICT in 2009.

Catch them young is a slogan which is apt for a professional body and the students who are going to be the pillars of our profession are inducted into the main arena through innovative schemes. All colleges are encouraged to start the student's chapters. In the past four years, HRC has been conducting number of programs for the student's Chapters affiliated to it and the prizes are given away under the Endowments scheme of Dr. B.V.Raju, Sri Allam Pandu, Prof. V. Gopala Krishnan and recently Late M.P.Chary endowment fund.

Student chapters of I.I.Ch.E, HRC

- ❖ Dept. of Chemical Engineering, Osmania University, Hyderabad
- ❖ Dept. of Chemical Engineering, Regional Engg College, Warangal, Hyderabad
- ❖ Dept. of Chemical Engineering, Chaitanya Bharati Institute of Technology, Hyderabad
- ❖ Padmasri Dr.B.V.Raju. Institue of Technology, Vishnupur, Narsapur, Medak District
- ❖ SRTIST, Ramananda Nagar, SLBC (Post), Nalgonda 508 004
- ❖ Dept. of Chemical Engineering, JNTU College of Engineering, Anantapur (JNTUCEA)

JNTUCEA Anantapur student Chapter had organized the Second Annual Session of Students Indian Chemical Engineering Congress (SCHEMCON-2006) and this mega event at the National level for Chemical Engineering Students was a great success and well appreciated.
