Organised by:

Doaba Regional Centre

Indian Institute of Chemical Engineers

In Collaboration with

**DEPARTMENT OF CHEMICAL
ENGINEERING**

**NATIONAL INSTITUTE OF TECHNOLOGY
JALANDHAR-144 011. INDIA**

CHEMCON - 2012

CHEMCON-2012, the 65th Annual Session of the Indian Institute of Chemical Engineers will be held during December 27 - 30, 2012 in the city of Jalandhar. The Indian Institute of Chemical Engineers (IIChE) is the apex professional body of Chemical Engineers in the country instituted in the year 1947. The technical extravaganza of IIChE, CHEMCON, continues to encourage academic activities to help students as well as teachers to continuously develop their skill to meet the demands of present society. CHEMCON-2012 brings together stakeholders of Chemical Engineering profession; students, teachers, researchers and industry practitioners to discuss current trends and future developments in the field of Chemical Engineering. The theme of CHEMCON-2012 is "Sustainable Technologies for Energy and Environment in Process Industries".

SRI DHIRUBHAI AMBANI COMMEMORATION DAY

Shri Dhirubhai Ambani Commemoration day will be celebrated on December 28, 2012 as a tribute to the great visionary.

DOABA REGIONAL CENTRE (DRC)

Doaba Regional Centre was established in the year 2002 in the Department of Chemical Engineering of National Institute of Technology Jalandhar. The experts from leading research and technical education institutes, as well as several industries contribute to the wide variety of activities of the centre.

ABOUT THE INSTITUTE

National Institute of Technology Jalandhar was established in the year 1987 as Regional Engineering College and was given the status of National Institute of Technology by the Ministry of Human Resource Development, Government of India, New Delhi on October 17, 2002. As an Institute of National Importance, NIT Jalandhar comprehends its responsibility of providing high quality education in Engineering and Technology to produce competent

technical manpower for the country. The Institute offers UG, PG and research programmes with world class research infra-structure in all disciplines.

THE CONFERENCE VENUE:

CHEMCON -2012 will be held in the premises of the Department of Chemical Engineering National Institute of Technology Jalandhar. The Department was establishment in 1990 and has been playing a vital roll in the development of Chemical Engineering education and research by offering BTech, MTech and PhD programmes. Its Alumni are occupying eminent positions in Chemical Industries, research and academic institution in India and abroad. The department also successfully conducted the 4th Annual Session of Students Chemical Engineering Congress in 2008. The IIChE NIT Jalandhar Student Chapter also awarded Ambuja Award in the year 2009 during 62nd Annual Session of Indian Institute of Chemical Engineers at Andhra University, Vishakhapatnam.

ABOUT JALANDHAR

The Institute is located on Amritsar bye pass, 12 km from Jalandhar Bus Stand, 15 km from Jalandhar City Railway Station and 20 km from Jalandhar Cantt. Railway Station. It is around 70 km away from Raja Sansi International Airport, Amritsar, 140 km from Chandigarh Airport and 375 km from Indira Gandhi International Airport, New Delhi. It is connected to New Delhi by rail through Shatabdi and other super fast trains as well as AC buses round the clock. The city is surrounded by famous rivers Sutlej and Beas and is internationally famous for agricultural products, textiles, leather goods, wood products, and sports goods. The nearby site seeing include Golden temple, Jallianwala Bagh, Wagah Border, Science City etc. The weather during December is cold with a maximum temperature of about 12° C and night temperature of about 3°C.

CALL FOR PAPERS

The authors are requested to submit three hard copies of the abstract of original research work not exceeding 500 words typed in Times New Roman with 1.5 line spacing and 10 font size (with CD) to the Organising Secretary CHEMCON – 2012. Camera-ready copy of the full paper will be submitted after acceptance of the abstract of the paper.

IMPORTANT DATES FOR AUTHORS

Last date for submission of full paper: July 16, 2012
Intimation of final acceptance of paper: August 20, 2012

TECHNICAL SESSIONS: are being planned on the following broad themes

- Green Technology
- Novel Separation Techniques
- Energy Management
- Safety and Hazard Control
- Sustainable Development
- Hydrocarbon and other fossils fuel
- Energy and Environmental Policy Issues
- Modelling Simulation and Scale-up
- Nano technology
- Process Development
- Chemical Technology
- Nuclear and Thermal Power
- Chemical Engineering in the New century

INTERNATIONAL JOINT SESSION

An effort will be made to organize International joint session which US/Canada for which details will be put up in 2nd circular.
