**INDIAN CHEMICAL ENGINEERING CONGRESS**

December 27 – 30, 2014, Chandigarh, India

## CHEMICAL ENGINEERING - EMERGING DIMENSIONS AND CHALLENGES AHEAD

### 67<sup>th</sup> ANNUAL SESSION OF INDIAN INSTITUTE OF CHEMICAL ENGINEERS

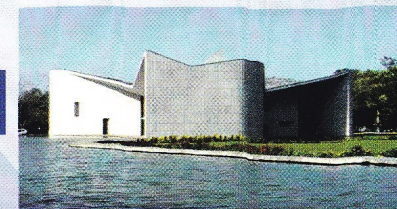

Organized by

Chandigarh Regional Centre  
Indian Institute of Chemical Engineers

In Collaboration with

Dr. SSB University Institute of Chemical Engineering & Technology  
Panjab University, Chandigarh 160014 (India)

CHEMCON 2014, the 67<sup>th</sup> Annual Session of the Indian Institute of Chemical Engineers will be held at Panjab University, Chandigarh, from 27<sup>th</sup> – 30<sup>th</sup> December, 2014. The theme of this Conference “**Chemical Engineering – Emerging Dimensions and Challenges Ahead**” focuses on providing a forum for substantial discussion on the emerging technologies and methodologies being developed to overcome the challenges.

Indian Institute of Chemical Engineers (IICChE) is the premier professional organization providing a platform to Indian Chemical and Allied industries, academia and research for continuous education, professional excellence and networking.

CHEMCON offers the most attractive platform, ensuring four days of intensive interface with the best of brains – national and international in Chemical Engineering and allied fields. These interactions will help the delegates to constantly update and equip themselves so as to keep pace with the fast changing professional scenario.

CHEMCON 2014 will feature a host of events, which will include memorial lectures, plenary lectures, seminars, symposia, panel discussions, exhibition etc.

It is a matter of great pleasure and privilege for us to invite you to participate in the deliberations of this unique program which will cover a wide range of topics of interest for the participants.

## TECHNICAL SESSIONS

The conference will cover major themes relevant to the chemical engineering profession through plenary, poster sessions and invited lectures. All technical sessions will be chaired by persons of eminence from the relevant field. Tentative list of proposed technical sessions is as follows:

### Chemical Engineering:

Transport Phenomena, Process Dynamics & Control, Process Modeling & Simulation, Chemical Reaction Engineering, Chemical Thermodynamics, Transfer Processes, Fluid Mechanics and CFD, Heat Transfer, Mass Transfer, Advance Separation Techniques, etc.

### New Frontier in Chemical Engineering & Science:

Nano Technology, Bio Process Technology, Membrane Science Technology, Polymer Science & Engineering, Pharmaceutical Technology, Rheology, Novel Reactors and Catalysis, Drug Delivery Systems, Smart Materials, Bio Polymers, Bio Chemical Engineering, Food Technology and Food Security, Health Care, Agro Based Technology, Adsorption Technology, etc.

### Sustainable Technology Development:

Energy Engineering, Environmental Science & Engineering, New Process Technologies, Process Intensification, Green Chemistry, Green Engineering & Technology, IPR and Patents, etc.

### Chemical Technology:

Petroleum and Petrochemicals, Fertilizers, Chlor-Alkali, Cement, Pesticides, Leather, Rubber, Dyes, Textiles, Soaps & Detergents, Paints, Sugar, Paper and Pulp, Carbon Technology, etc.

## SRI DHIRUBHAI AMBANI COMMEMORATION DAY

**Shri Dhirubhai Ambani Commemoration Day** will be celebrated on December 28, 2014 as a tribute to the great visionary.

## JOINT INDO - JAPANESE SYMPOSIUM

A special one day Indo-Japanese symposium on “**Separation Technology for Green Environment**” will be held during Chemcon 2014. The Symposium will host some of the most prominent scientist from Japan with active participation of “The Society of Separation Process Engineers, Japan”, (SSPEJ).

**Chair:** Emeritus Professor Katsumi Tochigi, Nihon University, Japan.

## ABSTRACT SUBMISSION

Extended Abstract of not more than 1000 words is to be submitted electronically for oral/poster presentations. The abstract should provide a brief summary of the research work done including the objectives, results, conclusion and important references. The desired template can be downloaded from the website : [www.chemcon2014.com](http://www.chemcon2014.com)

### Paper Awards:

The awards will be given for

- Best Student Paper
- Best Young Scientist Paper
- Best Conference Paper
- Best Poster

## IMPORTANT DATES FOR AUTHORS

Last date for receipt of abstract : **May 10, 2014**  
Intimation of Acceptance : **July 10, 2014**

## THE CONFERENCE VENUE

CHEMCON-2014 will be held in the premises of Dr. S.S. Bhatnagar University Institute of Chemical Engineering & Technology (formerly known as DCET), Panjab University, Chandigarh. The Department was established in 1958 and has been playing a vital role in the development of Chemical Engineering education and research for more than five decades. Its Alumni are occupying eminent positions in Chemical Industries, Research and Academic institutions in India and abroad. The Chandigarh Regional Centre (CRC) and Dr. SSB University Institute of Chemical Engg. & Tech., Panjab University have successfully conducted the annual sessions of IICChE jointly in 1965, 1977, 1999 and 2008.

## THE CITY

Chandigarh, the city beautiful, is easily accessible by public transport (air, rail and road). Chandigarh is a Union Territory and is the joint Capital of both Punjab and Haryana states. It is 250 kms. from Delhi and 50 kms. from Ambala Cantt. The weather during December is cold with day temperature of about 15°C and night temperature of about 5°C.

## ACCOMMODATION

Accommodation for delegates on request, can be arranged in Hotels, Guest Houses and Hostels subject to availability. Request for preferred accommodation should be sent well in advance. For more details visit our website [www.chemcon2014.com](http://www.chemcon2014.com)

## EXHIBITION

An exhibition of Chemical Engineering and allied equipment, instruments and books is proposed during the conference days. Interested organizations will be given a space of different dimensions in the form of exhibition stall inclusive of all facilities. The cost of the stalls is given in sponsorship rates.
