

Year-wise hosting of SCHEMCON by IChE Student Chapters in chronological order

The maiden venture of Students' Indian Chemical Engineering Congress (SCHEMCON) was successfully organized by the two student chapters of the Departments of Chemical Engineering of IIT Guwahati and Assam Engineering College under the purview of Guwahati Regional Centre (GRC) of Indian Institute of Chemical Engineers (IChE) during December 7-9, 2005 at Indian Institute of Technology Guwahati (IITG) with the kind initiative taken by Prof Binay K Dutta, then President, IChE. Following are the venues since then:

Year	Name of the Student Chapters hosted SCHEMCONs & Venues	On the Theme
2005	1 st SCHEMCON – IIT Guwahati, during December 7-9, 2005	“Challenges and Opportunities on Energy and Environment Management in Industries”
2006	2 nd SCHEMCON – JNTU College of Engineering, Anantapur, during September 15-16, 2006	“Intensifying Indigenous Technology in an Era of Globalization”
2007	3 rd SCHEMCON – Annamalai University during September 21-22, 2007	“Marching towards Technological Excellence”
2008	4 th SCHEMCON – NIT, Jalandhar, during September 26-27, 2008	“Present and Future Trends in Process Industry”
2009	5 th SCHEMCON – IIT Roorkee, during September 19-20, 2009	“Chemical Engineers for Sustainable Development”
2010	6 th SCHEMCON – RVR & JC College of Engineering, Guntur, during September 24-25, 2010	“Process Industries and Sustainable Development”
2011	7 th SCHEMCON – Heritage Institute of Technology, Kolkata, during September 23-24, 2011	“Emergence of Green Technology towards sustainable growth”
2012	8 th SCHEMCON – BITS, Pilani, during September 21-22, 2012	“Energy Efficient Technologies for Green Environment”
2013	9 th SCHEMCON – MVGR College of Engineering, Vizianagaram, during September 14-15, 2013	“Eco-friendly Technologies for Better Tomorrow”
2014	10 th SCHEMCON – HIT, Haldia, during September 19-20, 2014	“New Horizon in Chemical Engineering Applications”
2015	11 th SCHEMCON – MIT Academy of Engineering, Pune, during September 12-13, 2015	“Sustainable Development for Better Tomorrow”
2016	12 th SCHEMCON – B V Raju Institute of Technology, Medak, during September 10-11, 2016	“Chemical Engineering Cutting Edges – Towards Brighter Prospects”
2017	13 th SCHEMCON – NIT Rourkela, during October 7-8, 2017	“Emerging Technological Advancement in Chemical Engineering”
2018	14 th SCHEMCON – ICT, Mumbai, during October 26-27, 2018	“Green & Sustainable Chemical Engineering”
2019	15 th SCHEMCON – Shroff S R Rotary Chemical Institute, Ankleshwar, during October 17-18, 2019	-
2020	16 th SCHEMCON – IChEHQ, Kolkata, during October 9-10, 2020	“Intensified Industrial Chemical Engineering-Operations, Practices and Techniques for Sustainable Development”
2021	17 th SCHEMCON – IISER & MNIT Bhopal, during October 22-23, 2021	“Globally Advancement in Technology for Environment 2021”
